“Margaret made such an impact on my life, when I moved next door to her. More than just a friend, she became a respected and loved part of my family.

Margaret was the hub of the neighborhood, everyone that knew her, loved her. The rest of us got to know each other because we were connected through Margaret.

Personally, Margaret and I shared a love of plants, art, music, nature and animals. She was a great inspiration to me in so many ways and an artistic gauge that I could always count on for a trusted opinion.

A beautiful soul left this earth early Tuesday morning and left so many of us feeling her loss. She was one of a kind and the kind that you would be blessed to have encountered on this earth. I will carry her with me in my heart and revisit our conversations for guidance as I go forward without her. She truly was a guiding light that stood out to all that encountered her.

Rest in Peace my dearest friend ❤️
One day we shall meet again

“ How do say goodbye to a piece of your heart? My Aunt Margret was the kindest most generous person you will ever know. I do not have the words to express the grief and sorrow our family will experience without her smile and joyous presence. I can only say that she will always have a special place in my heart and I am blessed to have had her in my life. 🐱

“ Margaret was such a wonderful lady very soft-spoken and so gentle. She was always on her porch sitting or tending to her flowers or occasionally you would see her out walking. She will be missed.
