“ Mrs. Margaret was a specil person in my life and I feel it a blessing to know her. She always greated me with a smile and a hug and always had words of wisdom to share with me when I seemed to need them the most. She will be greatly missed.

“ I have known Mrs. Gardner for alot of years. I guess since Robin married Bill. She has always been a friend and always had a kind word. She always welcomed me into her home as a family member. I enjoyed talking with her and before Mr. Gardner passew away, we woul sit in his lawn mower shop and talk for hours. My thought is What a GREAT FAMILY!!!!

“ I grew up knowing Margaret my whole life. She was always so sweet and our family loved her and her family. My prayers are with them now as it is always difficult to lose a parent. But they have the joy of knowing they will see her again someday!

“ As difficult as it is to stay behind as we watch our loved pass on, I can't help but find that place in me that rejoices! For I know this family loves our heavenly father and we will all meet again on that beautiful shore. Aunt Margaret I have the fondest and most loving memories of you from my youth. I will hold onto each one tightly til the sweet by & by.

“ I have known and loved Margaret since I was twelve years old and had the pleasure of living beside her when we were young. We shared many stories and a lot of life in those days. I have loved her always and spend many happy hours in our yards just talking about and sharing our lives. At that time I was married to Pete Kittle and was pregnant with my second daughter, Cindy. I will always cherish the times we spent together. Margaret helped me in so many ways. I know she has always been a good Christian and that she is now home with our Lord. Her memory will always remain in my heart, as will my memories of the entire Kittle family. They have remained "my Family' down through all these years. I had the pleasure of seeing Margaret and Eddie Lou two years ago. They were lovely ladies and dear to my heart. She will be missed by all of us. With Love---
