“ I have so many fond memories growing up together. Our families were very close, her parents, Aunt Marge and Uncle Dave to the Miller kids, Mary Beth, Marty and Rick. My parents, Aunt Helen and Uncle Bill to Elaine. Both our Daddys died young and not to far apart in time, and Elaine and I were young when they died. I still find it hard to believe that she too has passed at such a young age. She loved her family so much and I know it is very difficult especially at this Holiday time to tell her goodbye.
I pray that you all will feel the comfort of the Lord's outstretched arms during this difficult time, remembering that His arms are also the ones that welcomed her into her new eternal home.
Remembering you, her family, with love and prayers,
Mary Beth Miller Williams
Knoxville, TN

PS

Mary Beth, I remember "Aunt Helen and Uncle Bill being at Elaine's all the time. They were a wonderful couple! In fact, I think your dad is the one that got me to try a raw oyster....good times! (I've never touched them since)

“ It's hard to write just one memory, there are so many. But, my favorite are the kettle corn days and nights. Thank you for being a friend, family, confidant, and second mother. I will miss your sassiness and most of all your hugs. Missed dearly and loved always.

“ Some many wonderful memories of Elaine from fort lauderdale to tennessee. A bright light gone home to be with our Lord. Best memory group of us dancing on rooftop of pelican resort for a special person's bday. Beautiful night and she lead the way to the dance floor!
Truly miss her!
