“ There are not enough words to describe our Aunt Peg. A few would be kind, generous, loving, devoted, caring and so very sweet. She and our Uncle Ed started our family reunion at Cumberland Mountain State Park in the 80's where the Krug Family Reunion memories have been made every other year since. Aunt Peg and Uncle Ed's cabin was always prepared to feed breakfast or lunch to anyone who showed up. They always made sure the welcome banner was hung to greet each relative as they arrived for our week long celebration. She left behind a family who will forever hold her memories in their hearts. Our thoughts are with our sweet Uncle Ed and their children. We will miss her but look forward to the day when we will meet again. We love you Aunt Peg.

“ Before marrying Ed Eaker Sep 05, 1959 at St. Peter & Paul's Catholic Church in Chattanooga, TN. Peggy was employed at the Home Store (grocery chain) as a cost accountant. She remained at home after the arrival of her four children to raise them and then returned to work at Hutchison Medical Center as a secretary and maintenance buyer. She and Ed were very dedicated to the maintaining of family reunions and both personally aided me in obtaining material in reference to our ancestors.... I hope the family continues to carry on the tradition of keeping the family stories and ancestors alive through the retelling of the lives of those that came before us. Rest in Peace sweet Peggy, you have served well!
