“Marilyn was one of the kindest human beings I have ever met. She smiled even on her roughest days. She could light up a room with her kind spirit and smile at any time. Marilyn and her husband definitely touched my heart and soul to be a better person in life. You will be so missed by so many, but I know that you are in a pain free perfect place now.

“ Mrs. Fowler was my 3rd grade teacher in the 1988-1989 school year, and she was a great one. She was so patient, kind, and nurturing to all of us. She made a tremendous impact on me and countless others. Deepest condolences to her family.

“ Marilyn was my neighbor and I visited her regularly when she lived here in the Highlands. We talked about our children and grandchildren and my great grandson. She was a pleasant lovely caring person. God has a special place in heaven for her.

“ I never met Marilyn. Pretty lady. I know her daughter, Beth. When I met Beth, she was a student at Shorter College where she met and married Bobby. Beth has a huge heart of love for the people in her world. She pours her heart into the kids she teaches. So I know Marilyn must be quite a lady to have raised this daughter. Beth will be heartbroken as she goes forward. Bobby will be by her side. I've never seen a better marriage. Marilyn and Jimmie are a couple who meant their vows. Beth exemplifies the values and faith of her parents.
