“ Marilyn and I were Air Force Roomates. We were together the night she met Mike.

We have been friends since 1960.

This was my final effort in finding out why we had lost contact. She was a dear friend. We shared so many happy times.

My love to Michael, Kathy and Jon.

“ You were my friend of a lifetime and I miss you so much. You and Mike were the best friends one could hope for. I miss our boating and fishing days, and just hanging out.

I will remember our friendship forever.....

Love,
