“ *Marilyn, I will miss you everyday that I am still on this earth. My cup over floweth with so many memories of our times together through the years. There was never a dull moment when we were together. People wouldn't believe just all the hard, the crazy, the exciting, the just between us times we actually shared. Most of all, it was all because of love and trust. That's what made it all fun. What a ride we had Thelma:) I know you will be ready to carry on when I see you again. It will never be over. Rest in peace till I get there. I will love you always, Anita.*

“ Mom,
You fought for me...I thank you. I thank God for allowing me to live this life. He used you to deliver me into this world into a Natural Birth. I have been born again to be made a new creation by me making a choice to allow my heart to be penetrated with the blood of Jesus Christ. Things were not always easier for us but I know you loved me and I loved you. Love isn't just a feeling but rather a "choice" We chose to love one another throughout life even when our flesh got in the way. Today I sit here and think about that choice you made to care for me while I was in your womb and I thank you for that. I love you Mom and I thank you for taking care of me as an innocent child and caring for me until I could care for myself. Your heart was bigger than this planet we reside on and I thank God for you.

You did make a difference in my life....Maybe I never got around to letting you know that and I'm sorry for telling you sooner.

Now that I know where you are, I must admit I'm a little jealous. Tell Papa hello :)

We all have a choice in where we want to spend eternity.... I have peace in my heart that "We Will Meet Again". I'm glad we made the same choice.

With Love,

Ryan Wynne
