*Margie I will miss you and remember you forever. I only knew you for about 4 and a 1/2 years, but I feel like we have been friends for so much longer. We shared so many laughs together. We could always talk to each other about anything. When my anxiety would show up I would putt putt on my scooter to Fred's for a chat. You would listen then either make me see that it wasn't as bad as it seemed or you would make me laugh. I would always feel better or at least feel I wasn't alone. You also understood my physical pain that I dealt with daily from my many health issues. It was so nice to have someone who truly understand what I was feeling. We would encourage each other and remind each other it could always be worse. I love you my sweet friend. I wish it had not been your time to go yet. I know God had his reasons. You no longer suffer with your back pain, no longer have to worry about anything, and will always be a beautiful person inside and out. You made a difference in my life and so many others. I thank God for allowing me to be your friend for life. Over the last couple of years we didn't get to see each other in person, but we chatted on Facebook and I knew if I needed you that you would be there as I would for you. I do not want to say goodbye so I will say until we meet again my friend.  
Love,  
MaShelle Songer and Family*

*At times like these we realize how wonderful friendships are and how we are blessed to have such ones in our lives. Never forget the promises of our Creator to wipe out all our tears, pain and death itself ( Rev. 21:4) and to let us enjoy with our resurrected love ones paradise on earth (Ps. 37:29). My condolences are with all who loved Margie.*
