“ *Margie was a good mother-in-law. I learned a lot from her including how to make peanut butter fudge and potato candy. Thank you for giving birth to Danny. He is a great husband and grandfather. I would be nothing without him.*

“ A wonderful smart music loving traveling grandmother has left us. God is probably enjoying her laughter and singing as we speak. My uncle made sure her last year's were full of adventures with seeing New places. My aunt kept her comfortable in her last week's. My dad , aunt and uncle will miss her the most ,for there is no love like a mother's love. I'm praying for you all that God bring peace to your hearts during this time.

Marge was one of my very best friends, a great co worker and a good Christian lady who loved to travel, have fun and enjoyed Christian music and a great family who was blessed to have her and loved her..If I ever needed a laugh, I could always count on My Marge..My condolences to Diane, Billy, Danny and family.I LOVED "MY MARGE".I know she is on the front row in heaven singing,playing her harp and keeping everyone there entertained, while walking the golden streets..
