Mark my love, I just recently discovered God called you home. Baby I'm so sorry I never got to say goodbye. Mark I want you to know that I will always love you, I recently had a son that I named Levi Marcus, because You were truly an inspiration to me and I will never forget the times we had together. Baby you would be proud of me now. I've been sober and working really hard to get back into my girls lives. I live at home with them now. Everything we ever talked about is coming true. I love you Mark and I always will. I can't wait to see u again. I 'll love you sweetheart!
