“ I just met Martha last September, and at first I didn't think I would like her, but after talking to her and getting to know her, I didn't like her, I loved her. It just won't be the same at the Senior Center without her.
Last Christmas we were having pictures made at the center, and my husband had a pair of raindeer antlers on his head, and Martha said "Oh he's cute" and I said to her "do you want him" and she said "well, he's not that cute" I got the biggest laugh out of that and have loved Martha ever since.
Rest In Peace Martha

“ I am so sorry to hear of Ms Martha's passing. I new she had health problems through talking to her when I visited my mother June Stone at the Village but she never let it slow her down. She was a very kind and considerate person always looking out for others and never complaining about her on health or problems. I know she will be missed by all at The Village. God Speed Ms Martha ! Time to enjoy your place in Heaven.

“ I still can't grasp the fact that Martha is not with us anymore. I am a resident at the Village of Chickamauga and everyone knew Martha and she knew everyone here. I saw her often from my porch on the second floor and she was so very active. She was a very giving person and I will truly miss seeing her. Your race here on earth is finished Martha and may you find peace and ever lasting joy.
