“ Sue was always one of our favorite teachers at Gillen school. You knew when Mrs. Miller's voice hit a certain "pitch" that she meant business, and she did not hesitate to use her paddle to let you know it. She fired my behind up on more than one occasion, and I deserved it every time! But, she was a great teacher that I learned a lot from, and I appreciate her influence on my life, even her paddlings. She surprised me and my sister Kim one time, by taking us to see Mark Hamil in person when Marlene was baby sitting for his son while he was in Chattanooga. She was a dear, sweet lady who will be missed. Our thoughts and prayers are with all her family.
