“Darrel, David, Greg, Cynthia and families, Martha Jo was such a special person. Not only to me but to everyone that knew her. I was sharing a memory of her with Wendi just this past week. She sat next to me for years in the choir at Fairview Baptist and her lovely alto voice guided me as I learned to sing that part. She was such a lovely person inside and out and will be missed by so many. Our sympathy and prayers are with you all in your loss but Heaven has certainly gained another beautiful voice for their angel choir.

With love to all,

Martha Jo was a very special lady. When our children were growing up she always shared everything she had with them. She was my sister-in-law, my friend and mentor. I pray your family will hang in there together as times will be tough and strength is in numbers. She has a big family of loved ones left behind. Cherish the good memories and keep them in your hearts forever.
