“ We have been friends and neighbors of Gene's for over 16 years. He was a sweet man that always said hi and waved when you seen him out. Our little street will never be the same.

“ I take honor in being the first one to leave a tribute for this wonderful person. We started first grade together and grew apart as years went by. We did however work side by side at Dan River back in the late 1970's to early 1980's. He was absolutely one of the most honest and caring people that I have ever met, and that is NO exaggeration. Gene has moved on to a better place, and heaven welcomes an additional angel. RIP my GOOD friend!
