“ My dear Aunt Maudean had a profound impact on my life, literally from the start. She gave me words of wisdom and taught me how to be my own toughest critic. I've always tried to be like her in my life, fearless, joyful, and always accepting. I hope I make you proud!!
Love,
Sandi

“ I'll never forget my aunts sassyness and her fun filled ways of letting everyone enjoy them del at get togethers. And acting crazy and just down right good family fun. She always had a way to make each person feel special. I remember spending many nights with her growing up and listening to stories of her and uncle William. I'm gonna miss her so much. I know she is in a better place now and not hurting. But its still hard knowing she's gone. I love you aunt maudean. Always and forever.
