“ I absolutely loved this woman! I will miss her so much! But oh I know she is in such a better place than we are. She had a lot of trials and tribulations in this life and she met each one of them with a smile on her face and a strong will and determination and faith. She had a way of taking the worst that life threw at her and making something good out of it. Sweet sweet memories that I will always cherish are her little dog that she loved so much, her calling me and asking if I had any fresh eggs and I'd take her some. Taking her fresh veggies out of our garden. She so loved her kids and grands too! I know that the family is grieving her loss but one day I believe that we can all see her again...Praying for peace, comfort and salvation for all the family and friends. God Bless and keep you all...

“ May God be with the family. God give them comfort and peace like only you can. I will miss my friend of 53 years. But I will see her again when God calls me home. Until then watch over the family and guide them from afar. Rest in peace my friend with a healthy body now on Heaven's golden shore.
