“ I could say so much about this woman ?? . But not enough of space. She was one of my favorite ppl. She was my everything. She will be missed dearly. Mary sue Lawson Doyle was the kind of woman that knew what she wanted. And always had a heart ? of gold. She was my stone ?? to lean on . She never rejected me. When I lost my track of mind,sue would always keep me straight. She was my strength and addiction.. She was there for me when my parents passed. So she was my everything. She will rest her soul with our loved ones. And be missed deeply. God gained a great angel ?? when he took her. My heart ? with be saddened to know I can't see her. But will see her again one day. RIP big sexy. TJ will miss you very much. God bless us all. Give our family ?? a hug and kiss ?? from us all.

“ I'm so sorry to hear of your loss. I've always thought a lot of Susie. There's a lot I could say about her but the list would never end. She never knew it but at one time she was a life saver for me. I'll always remember that big bright smile of hers. She'll make a beautiful angel and I'm sure she's watching over all of her loved ones now
