“ Terry.  
So sorry to hear of Mary's passing. She was such a sweet and kind person and I have many good memories of my phone conversations with her. You were a dedicated husband to her and she knew you truly loved her. She is not suffering any longer and Heaven has gained another angel! May God comfort you and your family during this time! “ Terry,

*We are very sorry to hear of Mary's passing. She was loved by all who knew her and will be greatly missed. Although she was confined to home a good bit these latter years you have been so good at passing on her greetings to all. You also graciously let all know that she welcomed visits from friends for sure. And you have been a great example of a loving husband for all of us who have watched you care for her. Be assured & comforted that she is feeling better than ever before and with her Savior. What a great reunion you have to look forward to.*

*Our prayers are for you & your family.*

*Sincerely,*
