“ Mary and I were EMS partners for about three years. You learn a lot about a person when you live with them for 240 hours a month. Mary was a great.....I always called her damnit....and she always answered with a loud...WHAT! I love you Mary Ellen!

“ My heart is broken for the family. Mary was one of the first people I met when I began my career in EMS 22 years ago! She was feisty, and crass, but warm, living , and genuine. There was no doubt about where you stood with her! If there was, all you had to do was ask! She would tell you! I was grateful that we reconnected after years, when she moved back from Sevierville, and having the chance to reminisce about old times and good time. She will be so sorely missed!

“ I have known Mary for a long time as a result of our involvement in the EMS profession. She was one of those hard working, kind people that grace the profession of EMS. We were blessed to have her. She is now enjoying well-deserved rest with her lord in heaven. My thoughts are with her family and friends.
