“ I loved this Lady. I remember Janet introduced herself to her at the funeral home when Joyce passed and told her who she was and she started screaming and hugging Janet and asking her where I was. When I finally made it to her she squeezed the breath out of me. You know, she was our homeroom mother for several years because of her daughter Joyce Crump so I have a lot of fond memories of Miss Helen and she will be greatly missed. I have adopted one of her Granddaughters Tyra Rodgers, who is very special to me. I love this family and they are so dear to me.

“ A truly beautiful lady has left us this Mother's Day. From the first time I met Granny Helen to the last time I seen her she greeted me with a smile and "You come here and give me a hug!". I will never forget that. She was everybody's Granny! Truly one of the sweetest people I have ever known. Prayers for peace.
