“ *Darlene you know weve always smiled anytime we were around each other. You and Sharon and I never didnt have great laughs and talks. The night I asked you to stay because I was afraid to be alone and of course as you were one of the best ever you did. It was the night Princess Diana died. I will never forget you. Love you God Speed I will miss you. Talked to Bobby the other day about your passing and we are both sad. While you are gone and looking down on us now you my friend will never be forgotten. “Loved this sweet lady so much. Darlene was so kind hearted and would help you in a minute. One day she and I got off from work and both ended up at Dollar General in Fort Oglethorpe she didn't see me but I saw her and I ran my buggy into hers hard and she snapped that head around and gave me go to the devil look and then realized it was me and we laughed so hard. For then on she told everybody when you see this crazy woman get out of her way cause she will run you over!! Ha ha I will miss her so much . I worked with Darlene for ten years at Pro Ad she always smiled or waved at me when she came in and would come over at break and we would talk and just laugh at silly things but she had a temper too and wasn't a push over. She said what was on her mind . RIP sweet kind and beautiful woman!!! May God put His loving arms around you. What a beautiful Angel you received.
