“ Many thanks Ms Mary for all you taught me. For being my memory many times, for allowing me to be with you when Kathy passed. As I ride to various places, I will hear your voice “what a tacky place”, “do you think they’ll have signs up” etc. Some were predictable with new comments frequently. I already miss looking in my calendar and seeing appointments which meant going to eat at Park Place. Most of Mary Mary quite contrary, thank you for being my friend.
