“ I will always remember talking with your mom in her room about the flowers , birds and tress outside her window... Especially the day at the back door when she kept saying just one more time wanting us to open that door so she could feel the air on her face... I will keep you and your family in my thoughts...

“ My Dear Mother,
I know God is holding you in His loving arms right now; and the angels are singing and celebrating your arrival in Heaven. It is a wonderful Blessing that you are totally free and your pain is gone...you are so loved and will be missed; but we rejoice in your Homecoming with Jesus, and we know we will see you again in Heaven when God calls us Home.

*With much love and honor to your memory,
Chris and Barbara Wills*
