“ Although I did not know Anne, I did know her son Jim Smallwood. He is a fine man and a son I am sure she was very proud of all her life.

My prayers go out to Jim and his family and hopes for a brighter day ahead knowing his mom is free of her earthly body.

Love from John Breen a former AT&T colleague.

“ Jim and Anne were patients when I worked at the dentist office in Chickamauga, ga. I always looked forward to seeing them both come in. Both of them were such pleasant people! Anne was one of those precious ladies who was always full of grace! Her spirit was always a bright light and she always shared that light with others! She made you feel seen and heard! She genuinely was interested in others even if things weren't perfect for her! I've often thought about her sweet smile. I often told her she made me think of Audrey Hepburn! Thankful I will see her again someday! Praying for all her family as I know she'll be missed.
