“ My mamaw, my precious mamaw. Words will never fully be able to describe how wonderful this lady was. She never met a stranger and loved everyone like they were her own. Her smile would light up a room and the love she had for my kids and I was one of a kind. I love her so, so much and a piece of me was taken with her. There will never be a day I won't think about her and wish I could call her one last time. My heart is broken in a million pieces but I know she is in heaven with my papaw walking the streets of gold. She will be truly missed by everyone. Heaven gained a beautiful angel. May you rip mamaw. I love you forever.

“ Words cannot express the sadness I feel. She loved her family with all her heart and there was never a doubt that she loved you. May we all one day be remembered with the fondness that Catherine will be remembered. I can only imagine the reunions that are taking place in Heaven today.
