“ My husband was appointed the pastorate of the Spring Creek Church of God in 1994 and that was the beginning of meeting a new friend, Mary. She had retired prior to our move, but was a woman full of energy. She did volunteer work several hours a week in the church office. She was involved in the local church activities, availing herself to learning a new computer program, changed the letters on the sign in front of the church weekly, designing the bulletin, and anything else she could get her hands into. She certainly was the proud mother of five grown men, but buddy did she ever make those guys walk the line. Petite in stature, a lady in her daily actions, but she still could handle those grown sons. She loved her husband George, but he passed shortly after we moved to Chattanooga. She kept herself busy in the church and at home. She was a great supporter of the Women's Ministries program, youth program, and a loyal member to the church and pastor. Always dependable and some what opinionated. She may be offering some advice on some things to Jesus now that she has arrived to her final destination - Heaven. I love you Mary and you will be truly missed.

“ *Hello Family*

*Sorry to hear about Aunt Mary, just wished some one had called us to let us know she was sick so my mom could have come to visit her. Looking at her picture Mary and my mom Ruth look so much alike. I am so sorry to hear that she is gone and wish all you boys to have the strength to be strong for each other and always be there for each other as you will need each in this time.*
