“ *The best Mom in the world. Missing you is such an understatement but I know you are where you belong and waiting for me up there. I love you so much and I truly know you loved me more than anything and sacrificed so much for your children and grandchildren. Love you Mom. ❤️*

“ *Nanny, the world is not the same without you. I'll always remember summers at your house on 6th ave with Poppie, trips across the Market st bridge that made noise, the store on Rossville Blvd, the video store every Wednesday and spaghetti for breakfast whenever I wanted it. You got to see me grow into an adult and see my kids grow. You always thought I could do no wrong, even tho I knew better, you had faith in me and loved me no matter what. I know you're with Jesus, just like you always said you'd be. And I'll see you, poppie and dad again some day.*
