“ Mrs. Walker was such a sweet lady. When I got my Maltese, in the 1980's, I had no idea how to care for the puppy. Mrs. Walker taught me things I needed to know as she and her husband cared for my "Princess". I also knew her as the parent of my fifth grade student, Kitty. I also taught Cindy Colquitt who married her son. I'm so sorry for this family's loss.

“ I have lost a very special Aunt in Aunt Mary. When my mom (her sister) passed away 30 yrs ago, she stepped in and became a second mother to me. My daughters and my grandsons have so many wonderful memories of Aunt Mary and the love she shared with us. Whether she visited us in California or we visited her in Georgia we always felt her love and compassion for our family. She will be missed so much but I know she is in a wonderful place and has reunited with her family! We love and will miss you everyday, Aunt Mary!

“ Words can not express the loss I feel today with the passing of Aunt Mary. She was the last of a generation of Hambly children. I find comfort in knowing that she is in heaven with Grandpa and Grandma and Rosalie, Bob, and my dad....what a glorious reunion that must be..... she will be missed by so many!

“ Deepest condolences to the Walker Family. There are so many fond memories of Aunt Mary and we could go on for ages sharing them all. She was a very special person and will be missed so much.

Cousin Jane best said it when she said that your mom isn't alone, she has joined Grandpa, Grandma, Uncle Bob, Uncle Bill and my mom, Rosalie. My mom told me just before her first surgery, "I know you'll understand, I talked to my father today and I'm no longer afraid". She knew then that when that day came he would be there for her, just as they all are, with open arms for your mom and my aunt. Rest in Peace Aunt Mary.
