“ I am privileged to have known Mrs. Williams and her family. Getting to know and care for her was a special experience for me. She enriched my life every week. Her strength and love she had for her family was obvious. The way her family cared for her was an example to all. I am proud to call her my friend, she will truly be missed. Cindy Jones, RN

“ This asks to share a memory, yet I have so very many of Aunt Mary. She was my 2nd momma not just My Aunt because our families are all that close in our love for each other. She was simply one of my favorite people as far back as I can remember and all my best memories have her somewhere in them. I will miss your sweet voice. Rejoicing in the thought of you going home but will not be as easy letting you go from our side. Much love. ❤️🌹🙏
