“ My Aunt Marzel always had the most beautiful skin. I remember sitting with her as a kid either at her house or mine and I would rub her arm and tell her she had the softest skin ever. I can still smell her lotion. She came to one of my softball games and I remember hearing her in the stands yelling run Shelley run! I was so proud she came to my softball game. Another memory I have is her kitchen at the apartments. It was so organized and clean every time I visited. I always wanted a sandwich because I thought it was the coolest thing when she pulled the Tupperware out of the fridge and get the sandwich meat out of it. She was always my favorite Aunt. I'm so sorry for your loss and I love you all dearly.
