Lauren, You are a part of our family. My Mom decided that long ago. You allowed me to keep her home with me. I can not thank you enough for all your love, compassion and dedicated hard work. You are truly an amazing nurse and we were so blessed to have you in our lives. Sonia and Family

“ Momma, I am so lucky to have had the time to say all the words that needed to be said. No amount of time would have ever been enough to share all the things I still want to share with you. You are the strongest person I have ever known. Your life was so amazing. I truly hope that you have found your much deserved Peace and I take comfort in knowing you are with Dad and Mike. I enjoyed every moment of every day and all the silly fun we had together. Most important you need to know that I am so proud of who you were. I was proud of the Mother you were, the grandmother you were and the woman you were and the lady. I miss you so much and love you to the stars and back. I love you forever and always. Love Sunny Boy

“ *She was an amazing sandwich maker. She was amazing for letting us trash her backyard just so we can have a slip n' slide. She was awesome for having purple hair and a tattoo, how many grandmothers do you know that has a tattoo and had purple hair? I love her and won't forget her, she will always be alive in my heart.*
