“ I worked with Matt for a few months. He always stepped in to help, no matter what the task may have been. He was always checking on me and making sure I was alright. He always noticed whenever anyone seemed upset, and he always tried to make it better. He was the kind of person that could make even the most boring days exciting. I looked forward to working him every time we were scheduled together, because he made work fun. He spoke so highly of his son everyday, and would tell us how proud he was of him. He was an extremely proud father. Matt, you are so, so missed. You were far more appreciated than you knew.

“ Jimmy, Christy and Courtney
I am so sorry to hear of Matt's passing. In my mind I still see him as the little boy playing ball at the ballfields. Prayers for all of you in the days ahead

“ Matt you were one of a kind, you loved deeply and were funny beyond compare. Your love for your son was beautiful to see unfold. From the day he was born, just hearing his name brought a smile to your face.
You will be missed by so many who loved you.
