“ *My best childhood memories is of time spent with Aunt Maxie and her beautiful family. I always loved going to her home. There were kids everywhere!*

*We would run and play untill dinner where there was a huge table covered with more food than I had ever seen. But most of all there was a love that could not measured. I felt as one of Maxie's kids. One special memory from when I was 7 or 8. The boys let me ride one of their ponies, it was great fun untill it ran into the pond with me on it. We all had a real laugh over that. It was always sad when it was time for us to go home. I'm sorry that we haven't stayed close through the years. But thats life we all have our different ways to go. Although we haven't been close in presence we have always loved all of you with a special love that will never fade. God bless and comfort each and everyone of you
All my love and prayers are with you.*
