“ Meg and I have shared a special bond and friendship like no other for 25 years, from sitting on the wall, to swimming, learning to walk, her first crush, birthdays, holidays, special events even to weddings, there is no way for me to come up with one memory. I appreciate Randy, Barbra, and Emory for always allowing me to be a part of it all, and I treasure every moment of it. I have never known anyone to always have a smile, a positive attitude and a belly laugh that still makes me smile thinking of it now. The world was changed by Ms Meg, and because of her I am the mother, friend and occupational therapist that I have become, dedicating my life to changing someone else's every day just like Meg always did. Meg would tell me that she learned so much from me, but she had it backwards, she taught me so much more. Meg I will love you forever and miss you deeply. With the deepest sadness my love, thoughts and prayers go out to all of us.-Love Katiebug

“ I will always remember sitting on the front porch on Robert E. Lee with Megan and Katie, front door open so we could listen to the top 20 countdown on CMT, singing and laughing. Megan waiting to hear achy breaky heart and rocking years. No mater how bad a day or time we were having, hearing Megan's laugh always brightened our day! I love that precious girl, always! Randy, your family is in my thoughts and prayers. Thank you for sharing your gift from God with us!!
