“ Anthony and I were overcome with joy when we learned that a grand baby was coming our way. When I first heard Micah’s little heartbeat, I was overcome with emotion. What a gift from above. We didn’t know he was a boy yet, but loved immensely no matter a girl or boy. He will be forever in our hearts and the keepsake of his heart beat is a treasure. We love you Kynnley and Austin and one day, we all will see Micah in perfection. We’re praying for you both!

So sorry he didn't get to be born here. But from his point of view he's with his heavenly Father. One day you'll reunite with that little fellow in Heaven. God keep you in his Love until then.
