“ My fondest memories of Mike take me back to the Summer of 1974. We were teammates on both the regular season baseball team(finishing 1st in the league) & All Star Team representing Signal Mtn., Tn. Our All Star Team was Signal Mtn’s first to qualify for the State Tournament & Mike played a big part in our success ! He was voted one of our Team Captains by his peers & our Coach was his Dad “ Dirk “ Anderson ! In all of my 58 years, I can’t think of a better Summer ! While I, like many, are in shock over his sudden passing, I will endeavor to remember the happier times that I shared with Mike when we didn’t have a care in the world except for playing ball. My prayers & condolences to his family & friends. Bill Riheldaffer...

“ *My sincerest sympathies to all of Mike's family. I was extremely saddened and shocked to hear of Mike's sudden passing. I only knew Mike through the practice of law and not socially. Mike was usually on the opposing side but I considered him a friend nonetheless. He had a very engaging personality with a great smile and an infectious laugh. He was a very good lawyer who I knew to always be a straight-shooter with me over the years. More importantly, he was a great person who I know from my conversations with him was devoted to his family. He will be sorely missed by everyone who knew him. He leaves a great legacy as a person and lawyer.* George E. Koontz

“ *Mike Anderson*

- *a friend to anyone who needed a friend*
- *a smile for everyone - whether you needed it or not*
- *a man who met the ideals of what a lawyer is supposed to be - who represented his clients zealously, who was courteous to opposing counsel and opposing parties, who knew the law and who used his knowledge to promote the cause of justice.*
- *a man of integrity*

Mike will be missed by those who knew him, and by the legal system as a whole. I am grateful that I was able to know him.

I offer my sincerest condolences. I worked opposite Mike on several cases. Despite taking adversarial positions, he was not an adversary. When I first met Mike, I told him he looked like President Clinton to which he indicated that he often got that. It wasn't just that he looked like that president, which he did, Mike had a presidential quality and presence of old. I always found him to be a genuine gentleman and a caring person. The law profession will share in and mourn this earthly loss but, rejoice in Mike's homegoing. May God anoint you with the peace that surpasses human understanding.

“ Mike was and will always be my friend. A great lawyer for certain with an amazing ability to organize and simplify complicated or convoluted facts or legal theories, but most importantly to me a loyal committed friend who enriched my life and earned my undying respect. I will miss him.

“ I will greatly miss Mike's dry wit and ever present smile. Whether in a formal or informal setting, I always walked away the better for having been around him. He was consistently pleasant in our cases together and a true gentleman. We typically shared a funny moment or two in every meeting and his chuckles were quick to come. His sudden passing was an absolute shock to me. I extend my heartfelt condolences to Tracy and the rest of the family at this most tender of times. May God bless and provide comfort to you during this very difficult time. Rest in peace dear Mike. Joe Hollis
