“ *I was around the family for several years, David was always kind to me. I will never forget some of the conversations we had, his laugh was contagious and his smile would just light up a room. Even after his brother and I parted ways I stayed in touch and he never treated me any different. I hope you're at peace David, you will truly be missed.*

“ *This man was my rock, soulmate, best friend. Even though we didn't see eye to on a lot of things and we've been through a lot no matter what I still loved him and still do. He use to tell me he would never find someone he loved as much as he loved me. He said no matter what weither we were together or not he'd be there for me. The devil wanted him and God said no he's mine. He had demons he was fighting all his life and God knew he was having a difficult time trying to get rid of them. He did his best and for that I'm proud of him. I love you Micheal David. Forever and always. Your loving wife Jeanette Clark.*

*Jeanette you went through hell with him, and still stood beside him. That says a lot on how much you loved him. You put God First and him second in your life over everyone even your self and kids that is true love. I know you will miss him but he is no longer in physical pain or mental pain. You are a wonderful wife. He knew that. Your family loves you.*

“ David was my big brother. He was an amazing man with a kind soul. He was young at heart and an amazing artist. He will be truly missed!! He's with my Mom and Dad now. We'll all cry and wish he could have stayed but that's just us being selfish. He is truly in a better place and there's no doubt in my mind about that. He loved Jesus and prayed often. I'm gonna miss him sooo much!!

“ Michael is/was my son in law. When I first meet him it was under unfavorable conditions. We did not always see eye to eye in how he lived and treated my daughter and grandchildren. When his mother passed away our relationship became very close. Over the years as he changed so did our relationship and we became further apart. There were time I loved him and times I despised him. But in the end I have to admit he was all in all a kind soul. I'm sad he left with us on the down side of our relationship. Michael David I did care about you and you mind, health and soul. Rest easy my dear and I will keep Jeanette and the children safe for you.  
Love your Mothe-in-law.
