“ Mike (Bogie) Leon (Bubba) and Rhonda were next door neighbors when I lived in Texas many years ago. Always enjoyed our family camping trips, water skiing and fun we always had.

I have been trying to connect with this lost family for the pass few years. So said to hear Mike has passed and I didn't get a chance to catch up with him.

May you rest in peace?!

“ What a great friend he was . We dated back in high school . We had a large group of great friends . Back then it was Bokie & Bubba . We camped , water skied , hung out , went to many concerts & had too much fun . I lost touch over the years , but it was a blessing to friend on face book . Most of our communication was about the Astros . He was a dear friend & I am blessed he was a part of my life . My prayers will continue for all of his family & all who loved him .

“ While I met Mike through work, I will always remember our personal conversations and his smile. He was a great guy who never met a stranger and wasn't shy to recognize you anywhere. Imagine my surprise to hear my name while in a restaurant at the beach 600 miles from work. A great chance meeting while we both vacationed with family. I will miss him, but find comfort in the memories and knowing he's not suffering. Thoughts and prayers to the family. Please know my family is here for you if there is anything at all we can do.
Sincerely

“ Three things that I will always remember about Mike, his dedication and willingness to help out his smile and his sense of humor. It was my pleasure to have worked with Mike at T A Smith and to have shared a couple of trips to Alaska fishing with him. My thoughts and prayers to his family, He will be missed by many.

“ Prayers from my family to yours. He was the kind of person that could take any stressful situation and find something amusing about it which in turn would help reduce the stress levels of everyone involved. He treated everyone with respect and you couldn't help but feel comfortable around him and know that you could talk with him about anything.

He greeted everyone with a smile and I will miss that.

“ *Mike was an incredible person and leader who always had a can-do attitude. There were so many times he was the go-to-person to solve the problem. He was invaluable in all that he did to help T.A. Smith Facility be successful. I am so grateful to have had the opportunity to work with Mike and will miss him greatly. My deepest sympathy, thoughts and prayers go out to his wife and family.*
