“ Michael, you will forever be missed. You and your family have always meant the world to me.. I grew up as you being my big brother and you always had my back no matter what. We have been through a lot and I know now your standing in Heaven with my mom who loved you and your family so very much. The crazy things we all use to do the late nights of hanging out and being together over the years. One thing you always told me is you loved me and I am so grateful I got to see you a few weeks ago and get my big brother hug you always gave me and let me know you where always here for me through thick and thin no matter what and I know you meant it and always have. Your smile you gave before I left and all the memories I have to hang on to means the world to me. This is never a goodbye it's a see you soon when God feels it's my time and I know I will see you again.. I love you brother!!
P.S. Please give my mom a bear hug from me when you see her there 🥰🦋🦋💕
Your little sis, Joy
