“ With great love to Brenda, Tim, Britt and their families during this sad time. Mildred was such a lovely lady and full of the same happiness and laughter as her brother, my grandfather, Orville "Hook" Boren. God bless and keep you now and always.

“ Aunt Mildred "Mim" was so much fun to our family. We had special times with her and Brenda. When I think of one, I can't help but think of the other. Since I have moved out of state, she has constantly sent me cards and made me feel still part of her life. I can't fathom that she is gone and I will certainly miss her. My love goes out especially to Brenda and her family. Do not hesitate to keep in touch like you always have. May God grant you His peace at this time. Love Cheryl

“ There aren't many women as spunky as Gramps was. She was truly one of a kind. She left a lasting impression on every life she touched. Family get-togethers won't be the same without her. I can only hope to be half the person she was in her 94 years of life. She was a very special lady that was loved very much! The girls and I miss you and love you!! ??

“ There are no words that can express the sadness of the loss of a person so loved, and she was dearly loved and I will remember her by the happiness that she brought me and the family by the love that she freely gave and the joy that she brought in all of our get-togethers, especially with her younger brother, my father and my mother. Peace and Love to all of the family
