“ *We were out of town ehen this sweet lady wrnt to be with the Lord. There are few words to describe how deeply she affected me. I still see her sitting in the front office of the school, smiling, hugging, and making everyone else smile. The time she took to help those sweet children every out front, sent them into the building feeling loved. Her work with the Chickamauga Ladies Club was such a vital part if the community. I will miss you my sweet friend. I know that Jesus is ecstatic to see you. I will see you again one day. Be on the lookout for the CES crowd!!*

“ *Leroy, Stan, Kathy & Family,
Eulene’s strong faith was an inspiration for
me, her service to her community was an
incredible example and her humor had me in
stitches.*

*When Eulene & family visited us in Mpls, she loved stopping by our
local Italian deli. The Italian guys adored her. Although the deli was
a bit larger than a shoebox, we’d rarely get out of there in less than
two hours.*

Eulene will be missed.

Our thoughts and prayers and love are with you.

they still did that. I remember not to long ago at the Melon Patch I
sat down with her and we just talked and talked. She was a great
wonderful lady.*

“ Eulene was a very important part of our Matthews family. She kept the Matthews reunions going for many years. I can never remember her face not having a sweet smile on it when she greeted people. Last Friday when she left her pain behind and entered Heaven , I know she was welcomed by all of our family who have gone before. What a wonderful day it must have been! My heart and prayers go out to her family as I know she will be sadly missed. I than you Lord for giving us Eulene.

“ *This Beautiful Lady was a giver. Eulene was always there when you needed her. How she found the time to do all the things she did for others I will never know. I will never ever forget how she stayed with our family when we lost our Grandson Lane. Her love and her prayers can never be replaced. Just a wonderful Lady with a Big Heart. Eulene will be greatly missed. Dawn & Henry Saylor.*

“ *Ross best described what an angel Mrs. Eulene was to us so I would like to say what an example she set. Mrs. Eulene was honestly the most selfless person I have ever known. She reached out to so many and gave and gave. She was more than a neighbor to us, she was the mother and grandmother we didn't have here in Chickamauga. If my kids were sick at school, Mrs. Eulene would pick them up. She sat by so many people and prayed. Her faith was unreal. Even when hurt by those around her, she would proclaim God to be good and faithful. Thankful she is living with the savior she proclaimed. Sending many prayers for her family.*

“ *Sweet, sweet lady. Your kindness for everyone was always so genuine and so filled with love. You never met a stranger and had enough of love to share with us all. I consider it an honor to have known you and your family. If there is a hall of fame for Mother's, you're in.*

“ When Eulene & I were sophomores in high school, we decided we were going to California when we graduated. We were going to UCLA & become actors & make a lot of money. Needless to say, when she met Leroy & that all changed. You were a good friend Eulene. Happy I knew you. 💕💕

“ *She was such a joy to see every morning, when I dropped my kids off at school. Then years later, she and I sat together at just about every home baseball game to watch her grandson Sam in his senior year and my son. She certainly loved her family! The conversations was so good and full of knowledge. I told her the last game that I truly enjoyed sitting with her and talking. She will never know just how much! Fly high, Mrs Matthews!*

I am Mardean Loggins' sister. I have know Eulene for many years. I will always remember her joy of life, her dedication to family, friends, and most of all to our Lord. She always had a smile and a way to soothe away hurt. So thankful my sister had her as a neighbor. God bless, keep your family in His protective arms.

GLYNDA M SEARELS - June 09, 2018 at 03:08 PM

What can I say about a lady who was the living example of unconditional love? Missy Eulene, my nickname for her, was a treasurer to my family and to me. She was always there for Mother and Daddy - and for me. I couldn't have pulled off Mom's surprise 80th birthday party without her help. And I can't recall the times she would be the first - or among the first - at the hospital whenever Daddy or Mother was in the ER, along with those famous goody bags. From time-to-time, my phone would ring long after I had moved away from Chickamauga, and it would be Missy Eulene on the other end, and I loved our talks. My deepest condolences to LeRoy, Kathy, Stanley, and her entire family. I loved your mother very, very much and will miss her smile.
