“ My husband has known Lamar most of his life he made the statement all my friends are leaving me. He was my brother in law who loved my sister with all his heart they smiled and giggled all the time and he was very protective of her I know she has lost her best friend because they were that also. He sense of humor was one to remember I know he will be missed very much.

“ I'm so sorry for Lamar's family today. I grew up in the Sitton household and had lots of fun with his family over the years. My condolences to everybody and I wish I was closer to be there for y'all. He was at my Dads and Mother's visitations telling fun stories and always laughing. I'm again so sorry.
