I worked for this Lady for almost 10 years if that's what you want to call it she made it so fun. She gathered thousands of dollars for kids during Christmas time every year for a long time. We actually showed at Walmart for the children every year to make sure the children got the stuff they would actually want. But she was so much more than that to much to right on here all I can say is I loved her very much and wish I could have spent more time with her these last ten years prayers going out to her wonderful family that always treated me like one of them thanks for the memories Suzie I'll never forget
