“*Miranda and I were friends and roommates in high school. She was always so fun and inspiring. I had mad love for Miranda and always will. She was a bright light in a world of darkness. She will be greatly missed.*”

“*I got to know Miranda when she put together Paradise's quinceanera. I had never seen a quinceanera and I was utterly amazed at all the work it took. Miranda was full of energy and love for her daughter. Miranda even snuck bottles of champagne into East Ridge Presbyterian Church's Fellowship Hall so her daughter could be properly toasted. Miranda was full of light and her loss is a true darkness.*”

“ I was 9 or 10 and my sis, dad and mom were visiting family there in Chattanooga. We live in Alabama so we didn't get to see each other often. We were having a cookout and Miranda and I were inseparable. We ate our food and it was delicious so I ate a little too much. I had a big stomach after eating and Miranda goes " look y'all, I think Janice had a little too much to eat!" As she pointed at my stomach. It was hilarious and everyone laughed. That visit will always be in my memory because Miranda and I just connected like we were sisters.

“ *My deepest condolences to family and friends. I knew Miranda through dance. We spent a lot of time together, years ago. I was her belly dance teacher, but I also learned a lot from her and enjoyed performing together at Greek Nights at Portofino's and other cultural events. She was beautiful, inspiring, intellectual, creative. She always spoke lovingly of her family. I am so sorry for your loss.*
