“ I am so sad. The world seems somewhat dimmer with the knowledge that she is no longer in it. Misty was a beautiful woman both inside and out, a loyal friend, and although I never met her "face to face" my daughter and I loved her dearly. My deepest sympathy to her parents, her son, and the countless who are left to mourn her. Fly free, Misty. Never again will you feel pain or sorrow.. only love, happiness, and peace.
Love you,
Starla

“ My condolences to you Theresa and your husband and Eli. Misty was one of a kind and I'm forever grateful to have had her in my life all these years. I'm shocked and deeply saddened to hear of her passing. I was hoping the two of us just might head to New York and see Diana Ross for her Birthday. What a great trip that would have been. She and I shared dinner with a homeless couple in Nashville one evening. We talked about Willie and Myrtle recently. One of my sweetest memories of your beautiful daughter. Sing with the angels now Misty Dawn with that most incredible voice. I still can't believe you're gone. Love you girl. <3
