“ *Jeanne was always smiling. That is the memory that I will always have of her. She was so kind and generous and she will be missed by many. To Ruby and the rest of the family, I wish you nothing but Peace and Grace in the days ahead.*

“ *Jeanne was a very special lady. When my oldest son was born she didn't like his name so she named him Germfrog. Her and Ruby got him a frog rug or wall hanging to go in his room. So glad she is resting in peace and no longer in any pain. Until we meet again Jeanne. You will be dearly missed. 💜💜💜*

“ *Way to many memories of Jean to pick just one. All the fun and laughter we all had at Uncle Jim and Aunt Willie's for family reunions. She was always the designated dish washer and her stories while doing the dishes. She always had time for the little kids, big kids and adults. I can still see her bopping her forehead with the heel of her hand when she said something wrong or out of order. She was super special coming to stay a couple of days every two weeks with Aunt Willie so Mother and I could spend a little time together before I had to go back to Fort Worth. She came every week and spent a few hours so mother could go buy groceries and any other errands she needed to take care of. Jean was an angel on earth and so happy for her that she now has her special wings and will be watching over everyone here on earth. Love you so very much Molly Jeanne Hardin! ❤️❤️❤️*
