“ Dear Rodney, Kenny , and family, I am thinking and praying for all of you this evening as you share the life of your dad, grandfather, and my uncle that I loved so dearly. I wish with all my heart that I could be there with you all. I keep picturing the reunion up there in heaven, and I am thankful he is no longer suffering, but just know I already miss him terribly. One day when I was in Florida at mom’s, Uncle Jack showed up with a push mower he had bought from Neal for 25 dollars. Mom’s mower was broken and being the brother he was, he was just trying to help . Long story short the thing wouldn’t work and true to his form he had some choice words about that! He and I loaded that mower back up in his trunk and he was headed to Neal’s to get his money back. I was laughing so hard I was crying! I still laugh whenever I think about it or I see a push mower in someone’s trunk. I loved him so. You are all on my heart.
Love and hugs.
Cousin Diane.
