I don't remember life without Murleene. She was my first cousin and therefore, my first best friend. She was so good at everything, wife, mother, daughter, grandmother. She loved all her family with great passion & caring. A successful businesswoman whose smile and kindness made everyone feel special in her world. There was a lot of rejoicing in Heaven yesterday, as there will be for each of us some beautiful day . Love never dies but walks the journey with us as we grieve our loss. You've left us with breaking hearts and a deep sadness which our loving memories will replace with time. Oh & you could be so funny 🍷 Rest In Peace, Murleene til we meet again

We were shocked to get this sad news. Please know how deeply sorry the Herrin family is that this beautiful daughter, mother, grandmother and friend to so many has passed. We had not realized Murleene was ill, and always thought of her as being well, strong and a rock for others. Our prayers are with her family at this difficult time. We will never forget her kindness and generosity or Dean's some years ago to our son, Dan. May God's comfort cover all of those who appreciated and loved this lady. SONG: "This world is NOT our home, we're just passing through". We will meet again in a BETTER home.
