“ *Miss Nadine will be missed, she touched many lives. I loved her humor, her stories of "getting after" her grandchildren, her smile, and the way she had of expressing herself. There definitely will be a void in the Pursley family gatherings. Much love and sincere condolences to Miss Nadine's family. Thayne Brown*

“Nannie Nadine was such a kind and gentle soul. She represented the strength and tenacity that permeated our elders' lives. They came from a time when life was much harder to navigate than we have today and because of folks such as Nadine, our lives were made much better. Although tiny and fragile looking as a flower, folks that knew her knew better than to misread her ability to stand her ground and make a difference when her principals were threatened. My love goes out to all of her family and friends. Prayers for peace, comfort, and acceptance of the loss of Nadine.

“My heart is aching. I've lost my best friend. We've been sharing things for a long time, from when it was her and Merle and me and Alfred. Then there was she and I. We shared lots and had plans for more. But God said "No more, it's time for her to come home with me". Nadine, I am going to miss you terribly but I would not have wanted you here with all your pain. You can sit up there and have a good laugh with David and Alfred.

*I will miss my Mom more than most will know. She was my mentor, my best best friend, she taught us all how to have patience, and most of all what it means to have the love of God in your heart. She was the best Mom. I love you Mother and will forever and ever until I see you again.*

“ So many wonderful memories to share of Nadine who was like an Aunt to me. She was always there for my Mom Faye who will always be her best friend. Thanks to that friendship I was fortunate to spend a lot of time with Nadine and most of that time, we were laughing! Nadine will be greatly missed by my family. Love to all her family and friends. She is now at peace. Love, Robin Little
