“ Nancy: My sister-n-law for 50 years but more than that she was my true friend. She accepted everyone for who they were and always had a listening ear. Nancy had a heart of gold with more strength and courage of any one I knew. She loved her nieces and nephews as they were her on children and had an unfailing love for them. But, let me tell you she would correct them as needed without hesitation and they knew it was through love. She loved a good fun loving argument with each of them and even refereed the fun between two that would say to her "tell him /her who is your favorite". Such sweet memories this lady left with us all. She will be missed by all and would want to know that she will be reunited with each of us someday in that heavenly home. Nancy is a rest now, free of pain and sorrow. To be absent from the bod is to present with the Lord. II Corinthians 5: 6-8.

“ May the peace God gives sustain your family during this difficult time. Lean on one another as the days ahead become to hard to bear alone. Share your memories they will be a source of comfort that will help you cope, granting you peace.

“ A lot can be said about Nancy! But the one thing that I consider her biggest attribute is that she loved unconditionally. She never complained. Even when she was in severe pain she never complained. She was a strong willed woman with many qualities. I loved her smile and her love for all the niece's and nephews. I can only imagine the look on her face when she looked down and saw Jordan when she flew over. Then when she entered his kingdom with thanksgiving in her heart and saw his face. The face of Jesus. I will miss the little arguments of fun that we always had.

“ In loving memory to my aunt Nancy, an amazing woman of courage, strength and strong will. You were the greatest inspiration in my life, you loved me unconditionally, without judgment. I hold you forever close in my heart and I know your spirit is with me everywhere I go. You are now in the arms of god and looking upon his face of Jesus. You are now happy and without pain resting under the tree of life sitting by the crystal river. I so love you and already miss you, but I know its only temporary because I will see you again someday, love sherrie
